Whereas, the Congress of the United States has enacted a law, known as the "War Risk Insurance Legislation," granting to permanently disabled soldiers and sailors, who received such injuries in the

late war with Germany and her allies, monthly allowances to be paid by the Government to such disabled soldiers and sailors during the time of such disabilities, and

Senate Concurrent Resolution No. 13.

Whereas, it is fitting and appropriate at this period of the world's history, to perpetuate the deeds of valor and heroism of those engaged in the great war just closed, which was fought to a successful conclusion, for Democracy and the freedom of the world, and,

Whereas, no page in the history of this great conflict is more resplendent with the glory of the deeds of valor in this great conflict than those of our brave boys from Texas, who, under the matchless Commander led the 180th Infantry, known as the Texas Brigade, in the St. Mihiel offensive September 12th to 16th, capturing the Quarten Reserve and German fortifications and camp, September 12th; Bois-le-Paetre September 13th, and Vilcey-Sur-Trey, Billers-Sirus-Preny, Vandieres Cote 327, and Bois-des-Rappes September 14 and 15th, 1918, participated in the entire Meuse-Argonne offensive, making an attack for the 90th Division November 1st and 2nd, which broke the Freva Stellung line at Andevanne, and Villiers-devant-Dun, and capturing eighteen officers and 789 men, which action on the part of our Texas boys, was the crowning event of this offensive, and contributed very largely toward causing Germany to ask for an armistice, and

Whereas, on account of this persistent action of our boys under their brilliant leader, Brigadier-General U. G. McAlexander, he was designated as the "Rock of the Marne," bearing an analogy to Stonewall Jackson at Bull Run, and

Whereas, our Texas boys desiring to commemorate the history of these achievements and to testify to their love and fidelity of their splendid leader, have, by voluntary contributions on their part, caused to be

painted a life sized portrait of Brigadier General U. G. McAlexander, who commanded the all Texas Brigade that brought about these achievements, and who desire that this portrait of their leader be placed in the gallery of paintings alongside those other great men who have written such brilliant history in this Republic: Now Therefore, be it

Resolved, by the Senate, the House concurring, that the State of Texas accent this life sized portrait of Brigadier General U. G. McAlexander, and order same hung upon the wall of the State Capitol, at such appropriate place as the Governor and the Superintendent of Public Buildings and grounds may decide upon, and there preserved as a memento of the deeds of valor of the 180th Infantry "All Texas Brigade." To the Thirty-sixth Legislature of
the State of Texas in Second Called
Session Assembled:

Gentlemen: My attention has been called to the fact that the members of the 180th Brigade, composed of the 345th Machine Gun Battalion, 359th and 360th Infantry Regiments, known as the All Texas Brigade of the 90th Division of the American Expeditionary Forces, have caused to be painted a life-sized portrait of Brigadier General U. G. McAlexander, who led this Brigade in its brilliant offensive against the German Army at St. Mihiel and the Muse-Argonne Offensive. The members of this Brigade desire to tender this portrait to the people of Texas to be hung upon the walls of the State Capitol along with other men who have written such brilliant pages in the history of this Southland of ours.

I think it proper and right that

the State accept this portrait as a memento of the deeds of the valor of these boys, who did so much for the cause of Democracy in the war just brought to a conclusion. I therefore suggest that the Legislature make suitable preparations for the acceptance of this portrait, and that the date of acceptance be fixed on July 14, 1919, and that Brigadier General U. G. McAlexander be notified of this action on the part of the Legislature of the State, and that he be invited to be present on this occasion, and I also suggest that an invitation be extended by the Legislature to all the surviving members of this Brigade to likewise be present and take part in the ceremonies of the presentation of this portrait to the State of Texas.

Respectfully,
W. P. HOBBY,
Governor.

Governor's Office,
Austin, Texas, July 2, 1919.

Respectfully yours,

By Buchanan C. S. for S. B.
of Scurry. No. 60.

A BILL

To be entitled

An Act to amend Article 3889 of the Revised Civil Statutes of 1911, as said article was amended by House Bill No. 449, Chapter 158 of the Regular Session of the Thirty-sixth legislature of the State of Texas, relating to the maximum fees that may be retained by the County Judge, Sheriff, Clerk of the County Court, County Attorney, Clerk of the District Court, Collector of Taxes, Assessor of Taxes, Justices of the Peace, and Constables in Counties of this State having a population of less than Twenty-five Thousand; and providing for the fees of such county officers in all counties of such population that constitute a separate judicial district; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Article 3889 of the Revised Civil Statutes of 1911, as amended by Section 3 of H. B. No. 449, Chapter 158 of the Acts of the Thirty-sixth Legislature at its Regular Session be amended so that same shall hereafter read as follows:

Article 3889. Each officer named in this Chapter shall first, out of the fees of his office, pay or be paid the amount allowed him under the provisions of this chapter, together with the salaries of his assistants or deputies. If the fees of such office collected in any one year be more than the amount needed to pay the amount allowed such officer and his assistants and deputies, same shall be deemed excess fees and of such excess fees such officer in counties having less than twenty-five thousand inhabitants shall retain one-fourth of same until such one-fourth amounts to the sum of Twelve Hundred Dollars; and in counties having between twenty-five thousand and thirty-eight thousand inhabitants such officer shall retain one-fourth of the excess fees until such one-fourth amounts to the sum of Twelve Hundred and Fifty Dollars; and in Counties having more than thirty-eight thousand inhabitants such officer shall retain one-fourth of the excess fees until such one-fourth amounts to the sum of Fifteen Hundred (\$1500.00) Dollars. Such population to be based on the United States census next preceding any given year. All amounts received by such officer as fees of his office, besides those which he is allowed to retain by the provisions of this Chapter shall be paid into the county treasury of such county; provided that in counties of less than twenty-five thousand inhabitants by such last preceding United States census, and which counties constitute a separate judicial district, the officers named in this chapter shall retain one-fourth of such excess fees until such one-fourth so retained amounts to the sum of Twenty-five Hundred Dollars, and shall pay the remainder of such excess fees into the county treasury of such county.

Section 2. The fact that in counties of less than Twenty-five Thousand inhabitants and constituting a separate judicial district, unprecedented work is to be done and unusual labor conditions exist, that make it impos-

sible to obtain and keep competent assistants and deputies at salaries provided for in the law as it now stands on the Statutes, creates an emergency and an imperative public necessity requiring that the rule providing that bills be read on three several days in each house be suspended and that this Act become effective from and after its passage, and such rule is hereby suspended.

A BILL To be entitled.

An Act defining live stock Commission merchants; requiring such merchants to give bond; providing for the renewal of such bond; the approval and recording of the same; imposing penalties for pursuing the occupation of a live stock commission merchant when bond has not been made or renewed, or when there has been an intentional breach of said bond, or for making materially false statements in the application relative to fixing the amount of the bond; requiring remittances of the proceeds of stock sold by such commission merchants to be made to the parties rightfully entitled thereto within forty-eight hours after such sale has been made, either in certified check or bank exchange, whenever requested by the parties at interest, and prescribing penalty for failure to comply with such request; requiring the posting of a certified copy of the bond in some conspicuous place in the office of the principal place of business of said live stock commission merchant, and prescribing penalty for failure so to do; providing for suits upon said bond and fixing the venue thereof; repealing all laws in conflict herewith and especially the Act of the Thirty-third Legislature, Chapter 49, Regular Session, Page 93, and declaring an emergency.

Be it Enacted by the Legislature of the State of Texas:

Section 1. Any person, firm or corporation who shall pursue the business of selling live stock, cattle, cows, calves, bulls, steers, hogs,

sheep, goats, mules, horses, jacks and jennets, or any of them, upon consignment for a commission or other charges, or who shall solicit consignment of live stock as a commission merchant or agent, or who shall advertise or hold himself out to be such, shall be deemed and held to be a live stock commission merchant within the meaning of this Act and subject to all the provisions and penalties prescribed by this Act.

Section 2. All live stock commission merchants, before they shall engage in said business within this State, are hereby required to make bond in an amount hereinafter specified, signed by some responsible surety company regularly authorized to do business under the laws of this State and having a paid up capital of not less than Five Hundred Thousand (\$500,000.00) Dollars, which said bond shall be payable to the County Judge of the county in which such live stock commission merchant has his principal office or place of business, and to his successors to the benefits of this Act, such bond to be filed in the office of the county clerk of the county in which such commission merchant has his principal office or place of business, and in which county suits shall be instituted for any alleged breaches of said bond.

Section 3. Said bond shall be conditioned that such live stock commission merchant will faithfully obey and carry out all the terms and provisions of this Act, and will faithfully and truly perform all agreements entered into with all the consignors, owners or those holding valid liens on said live stock with respect to receiving, handling, selling and making remittances and payments of the net proceeds thereof to the said named parties, or to the person, firm or corporation to whom said consignors, owners or valid lien holders shall direct such payments to be made; and said bond shall further, provide and shall be conditioned, that such live stock commission merchant shall within forty-eight hours of the sale of live stock so consigned, remit the net proceeds thereof to the parties rightfully entitled to receive the same, or to such person, firm or corporation to whom

such parties shall direct the payment to be made, either in certified check or bank exchange accordingly as same may be requested by the said party or parties rightfully entitled to receive the proceeds thereof; or shall within forty-eight hours of the sale of such live stock for the said parties at interest deposit to the credit of such parties their respective interests in the net proceeds thereof in some State or National bank in the city or town where such live stock commission merchant has his principal office or place of business, if requested by any or all of the said parties at interest so to do.

Said bond shall be made annually and shall expire on September 1st of each year.

The amount of such bond shall be fixed by the county judge as follows: Double the amount of the average daily sales of the stock sold on commission for the preceding twelve months period (computed upon the number of business days) by the person, firm or corporation desiring to pursue the business of a live stock merchant, which facts shall be made to appear to the county judge by the sworn statement of the individual, or member of the partnership, or by the president or secretary of the corporation, seeking the approval of said bond; and provided further that any person, firm or corporation who has not theretofore engaged in the business of a live stock commission merchant shall give bond in the sum of Twenty Thousand (\$20,000.00) Dollars, which shall be the minimum bond to be given under this Act.

Section 4. It shall be the duty of the county judge to carefully scrutinize said bond when tendered and if satisfied therewith to approve said bond, for which service he shall be entitled to charge and collect from the application a fee of One (\$1.00) Dollar, provided that no bond shall be approved by him which is not in the amount prescribed by the terms of this Act, and conditioned as required by this Act and executed by some surety company in good standing, and authorized to do business in this State, and having a paid up capital stock of not less than Five Hundred Thousand (\$500,000.00) Dollars, which facts shall be first duly certified to the said county judge by

the statement or certificate to that effect issued by the Commissioner of Insurance and Banking.

Negligent failure on the part of the county judge to perform said duty shall render him liable on his bond for all damages that may directly result therefrom.

Section 5. Said bond, together with the sworn statement made to the county judge by the applicant seeking the approval of the same and setting forth the average daily sales of such applicant for the twelve months period next prior thereto, shall, as soon as practicable after the approval of said bond by the county judge, be filed for record in the county clerk's office in the county where the principal business of said commission merchant is to be carried on, and shall be recorded at length and properly indexed in a well-bound book kept for that purpose, to be labeled "Bonds of Live Stock Commission Merchants," and shall also file and security retain in the archives of his office said original bond and sworn statement, and for this service said clerk shall be entitled to charge and collect a fee of seventy-five cents (75c).

Said clerk shall immediately upon the recording and indexing of the said bond and sworn statement furnish to the person, firm or corporation filing the same a correctly certified copy thereof, for which a fee of seventy-five cents (75c) shall be charged and collected from said commission merchant, and it is also made the duty of the said commission merchant to procure said certified copy from said clerk at the earliest practicable date after the filing and recording thereof.

Section 6. If the proceeds of any live stock sold by said live stock commission merchant shall become involved in a dispute between contending claimants; or if the said live stock commission merchant is notified that other parties are asserting rights to said proceeds, or any part thereof, in opposition to the claim of those shipping said stock to said commission merchant, it shall in such cases be the duty of said live stock commission merchant to deposit the amount of said net proceeds involved in such contention in some State or National bank in the town

or city where said live stock commission has his principal place of business, and to promptly notify all interested parties of his said action in the premises; whereupon no further liability as to such funds so deposited shall accrue or continue as to said live stock commission merchant, either personally or on his bond.

Section 7. The bond provided for by the preceding sections of this Act may be sued upon and recovery had thereon by any person claiming to have been damaged by a breach of its conditions, provided that said bond shall not become void upon the first recovery thereon but may be sued upon until the amount thereof is exhausted, and provided further that upon a reduction of said bond by recoveries thereon to the extent of one-half thereof said live stock commission merchant shall be required forthwith to make and file a new bond conditioned as provided in Section 3 hereof so as to restore said bond to the required amount.

If it shall come to the knowledge of the county judge that the surety company making such bond has become insolvent or is not financially able to make the said bond ample and sufficient in the opinion of said judge, then it shall be the duty of said officer to notify said live stock commission to execute a new bond as herein provided for; whereupon it shall be the duty of such live stock commission merchant to make a new bond the same as originally required by the provisions of Section 2 and 3 of this Act.

Section 8. Any person who shall advertise or solicit business as a live stock commission merchant or who shall in any way pursue the occupation of a live stock commission merchant without first having made the bond as required by this Act; or shall fail to keep and maintain said bond in full force and effect as required by this Act, shall be deemed guilty of a violation of this Act and upon a conviction thereof shall be punished by imprisonment in the State penitentiary for not less than one year nor more than two years, or shall be fined in a sum not less than Five Hundred (\$500.-00) Dollars nor more than Five

Thousand (\$5,000.00) Dollars, or by both such fine and imprisonment.

Section 9. Any person engaged in the business of a live stock commission merchant, as is defined by this Act, who shall intentionally fail and refuse, within forty-eight hours after the sale of any live stock consigned to him, to remit the net proceeds thereof to the person rightfully entitled to receive the same, or to such person, firm or corporation as said parties rightfully entitled thereto shall direct, either in certified check or bank exchange, provided that the said party rightfully entitled thereto had theretofore requested that said proceeds should be so remitted, shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than One Hundred (\$100.00) Dollars, nor more than One Thousand (\$1,000.00) Dollars, or by imprisonment in the county jail for not less than one month, nor more than twelve months, or by both such fine and imprisonment.

Section 10. Any materially false statement made by the person, firm or corporation to the county judge relative to the average daily sales of live stock sold on commission for the twelve months period preceding the application for the approval of the bond shall constitute false swearing as defined by the Penal Code of this State and shall be punished accordingly.

Section 11. It shall be the duty of every live stock commission merchant at all times to keep conspicuously posted in the main office of his principal place of business a certified copy of the bond herein provided to be furnished to him by the county clerk under Section 5 of this Act, and failure on the part of such live stock commission merchant so to do shall constitute a misdemeanor, punishable by a fine not to exceed One Hundred (\$100.00) Dollars. Each day said certified copy of such bond shall not be posted as provided for herein shall constitute a separate offense.

Section 12. It is expressly declared that none of the provisions of Title 57 of the Revised Civil Statutes of 1911, are affected or in any wise modified or repealed by the provisions of this Act.

Section 13. This law shall become

effective September 1st, A. D. 1919. The Act of the Thirty-third Legislature, Regular Session, Chapter 49, page 93, approved March 27th, 1913, is hereby repealed but all rights and liabilities accruing under said Act shall not be in any manner affected or interfered with by the passage of this law. All laws in conflict herewith are hereby repealed.

Section 14. The fact that there is now no adequate law for the protection of shippers and consignors of live stock now in existence in this State, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and said rule is hereby suspended, and further that this Act take effect and be in force from and after its passage, and it is so enacted.

A BILL

To be Entitled

An Act to amend Chapter 21, Acts of the First Called Session of the Thirty-fifth Legislature, 1917, being an Act amending Article 6086, Revised Civil Statutes, Chapter 1, Title 100, providing for the appointment by the Governor of two members of the Board of Pardon Advisers; fixing their salary; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Article 6086, Revised Civil Statutes of the State of Texas, Chapter 1, Title 100, entitled "Power and Duties of Board," be so amended as to hereafter read as follows:

Governor Shall Appoint.—The Governor is hereby authorized to appoint two qualified voters of the State of Texas, and who shall perform such duties as may be directed by him consistent with the Constitution, as he may deem necessary in disposing of all applications for pardon. The said two voters shall be known as "The Board of Pardon Advisers," and shall be paid out of any money in the Treasury, not otherwise appropriated, a salary of Three Thousand Dollars each per annum on monthly vouchers approved by the Governor.

Sec. 2. The fact that some doubt has arisen as to the authority of the Committees on Appropriations to fix the salary of certain heads of departments of the State Government, and the further fact that the Committees on Appropriations of the two Houses of the Legislature are now in session, and preparing the Appropriation Bill for the next two years, create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.
